

Product April 2009  
**NEWS**

*Exclusively for Pacific Energy Distributors*

The return of a classic design-  
the **NEW SUPER STEP TOP**  
now ready for orders!

The **NEW SUPER STEP TOP** boasts a heavy 5/16 dual level cooktop and Pacific Energy's renowned floating D1 firebox. It is of modular design and uses all the same doors, legs, pedestal base and ash dump option as the Super 27.
