Pewter (07)

Antique Copper (08)

Featuring Decorator Flanges, Decorator Flange Trim Rings, Universal Fit 3" and 8" Keys and Fireplace Gas Valves.

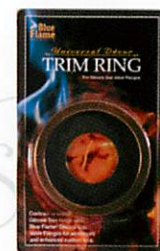

GAS VALVE FLANGES

Available in eight designer finishes, our Décor universal flange fits either 1/2" or 3/4" gas valves. This patent pending heavy-duty construction features a dual thread bushing with adjustable sleeve creating an overall maximum length of 3-1/2". Matching or contrasting flange trim rings and keys are sold separately to achieve an elegant design.

VALVE FLANGE TRIM RINGS

Specifically designed for use with the Décor Series gas valve flanges. These trim rings can be selected in the same eight great matching or contrasting finishes to achieve the desired custom look in the home. Ring simply slides over the flange prior to installation.

UNIVERSAL 3" & 8" GAS VALVE KEYS

Our patent pending 3" & 8" gas valve keys operate both 1/4" and 5/16" gas valve stems. Eliminates the need to carry double inventory. Available in eight great finishes for matching or contrasting combinations.

FIREPLACE GAS VALVES

Attractive bi-lingual, color-coded packaging for ease in sku management. Straight and Angle 1/4 turn valves for natural wood burning fireplaces where maximum flame is desired to ignite the logs. Straight and Angle multi-turn valves for artificial logs so flame height can be adjusted to fit the mood.

The DÉCOR Collection

All items in the Décor Collection are in clam shell or blister card packaging with easy-to-follow instructions in English and Spanish.

Décor Series Plan-O-Grammed Assortments Specifically Selected To Meet Space Requirements Of Small And Large Retailers.

DPG-16

Contains 4 each: Flanges, Trim Rings, 3" & 8" Keys in Polished Chrome, Polished Brass, Polished Copper and Flat Black. A total of 16 skus, equaling 64 pieces.

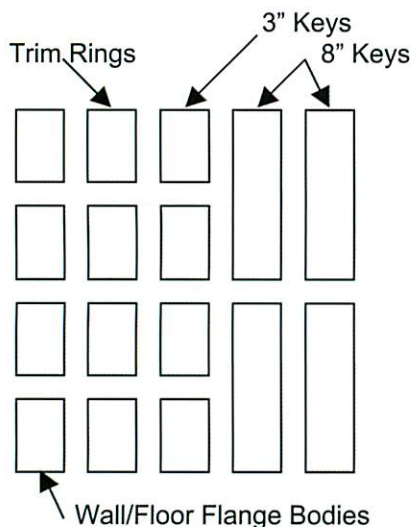

DPG-24

Contains the same great selection of the DPG-16 with the addition of 4 each Flanges, Trim Rings, 3" & 8" Keys in Antique Brass and Satin Chrome. A total of 24 skus, equaling 96 pieces.

DPG-36

Contains 4 each: Flanges, Trim Rings, 3" & 8" Keys in all eight finishes plus 6 each of the 1/4-Turn Straight and 1/4-Turn Angle Gas Valves (For Natural Wood Logs) and 6 each of the Multi-Turn Straight and Multi-Turn Angle Gas Valves (For Artificial Log Sets). A total of 36 skus, equaling 152 pieces.

Our Most Popular Plan-O-Grams

DPG-16

Décor 16-sku plan-o-gram containing four (4) each gas valve flanges, decorative flange trim rings, 3", and 8" universal gas valve keys (1/4" and 5/16" valve stems) in our four most-popular finishes for 64 pieces.

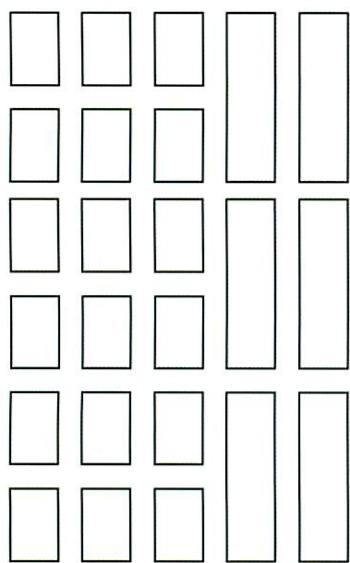

The **DPG-16** finishes include polished chrome, polished brass, polished copper and flat black offering a multitude of matching or contrasting results. This is a great "entry price point" assortment offering several options for the consumer with minimal investment by the dealer.

DPG-24

Décor 24-sku plan-o-gram containing four (4) each gas valve flanges, decorative flange trim rings, 3", and 8" universal gas valve keys (1/4" and 5/16" valve stems) in our six most-popular finishes for 96 pieces.

The **DPG-24** listing includes the same four most-popular finishes as in the DPG-16 of polished chrome, polished brass, polished copper and flat black but also includes our next two most popular finishes of antique brass and satin chrome.

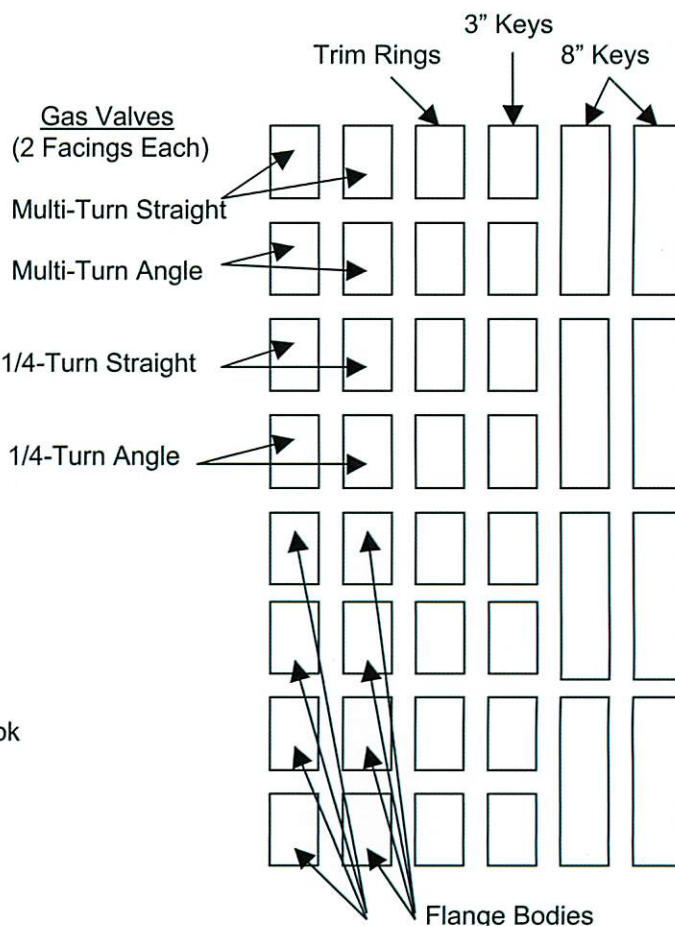

This popular plan-o-grammed assortment gives a far-reaching opportunity for the consumer to get a really different custom look at little additional investment to the dealer.

DPG-36

The Décor 36-sku plan-o-gram contains four (4) each of all eight finishes in the Décor series of flanges, trim rings 3" and 8" universal keys. These finishes include polished chrome, polished brass, polished copper, flat black, antique brass, satin chrome, pewter and antique copper for a total of 32 skus for a mix-or-match custom appearance. In addition, the DPG-36 assortment includes six each 1/4 turn straight and angle gas valves for natural wood burning logs and six each multi-turn straight and angle gas valves for artificial log sets.

The DPG-36 contains 152 pieces of all available skus as well as the four gas valves to satisfy any application. The eye-catching self-selling graphics lend a "family" look to this program and feature easy-to-follow instructions in English and Spanish.
